

CORONAVIRUS (COVID-19) SELF-SCREENING

As the outbreak of the new coronavirus (COVID-19) continues to spread around the world, McCarthy is taking every precaution to help keep our team members healthy and safe while minimizing the spread of the virus. Decisions made by our leadership team will continue to be superseded by national, state and local government agencies imposing necessary restrictions.

TEAM MEMBER HEALTH IS A SHARED RESPONSIBILITY.

We are asking team members at all jobsite/office locations to perform a COVID-19 self-screening process.

WHAT IF...

MY ACTIONS...

I am experiencing flu-like symptoms, e.g., fever (*higher than 100.4°F*), cough, shortness of breath?

Please do NOT come to the jobsite/office and contact your manager.

I or a member of my household was in a high-risk area in the last 14 days?

Please do NOT come to the jobsite/office. Contact your manager to make other arrangements.

I had close contact (*within six feet for a prolonged period of time or being coughed/sneezed on*) with a suspected or confirmed case of someone having COVID-19 in the last 14 days?

Please do NOT come to the jobsite/office. Contact your manager to make other arrangements.

I answered NO to all three questions?

It's important to practice good hygiene and social distancing. Contact your manager with any questions and stay safe.
